

THE BULL INN RE-OPENING WINE LIST

175ml 250ml Bottle

WHITE

Sensale Grillo (Sicily, Italy)

Named after a delicate Sicilian barbecuing technique, this is light, pretty and floral with ripe stone fruit notes.

£5.50 £6.95 £19.95

Mayfly Sauvignon Blanc (Marlborough, New Zealand)

A propensity for naming their sauvignon after animals has been well documented in New Zealand and they have conjured up another spurious connection with this wine. Luckily, whilst the marketing department has taken an early lunch, the wine making team didn't. Great zippy fruit with asparagus notes and delicious finish.

£5.95 £7.65 £24.00

ROSE

RAP Rosé (Vin de Pays d'Oc, France)

Generous, refreshing and food friendly, RAP is a 'Rosé A Partager' (rosé to share – can you see what they've done?!), crafted to enhance those relaxing moments with friends and family. A light salmon pink colour with lovely fresh red fruit flavours, this rosé is the perfect accompaniment to sunshine and food.

£7.75 £10.25 £29.99

RED

Cent'Anni Baccolo, Appassimento (Veneto, Italy)

The Renaissance, the 'Floating City', Napoleon's victory in 1979... all faded into insignificance, as notable in the history of the Canetti region when this wine was created. The grapes are partially dried to increase flavour. Think of it as a light, baby Amarone with less alcohol and less damage to your bank balance!

£5.50 £6.95 £19.95

Verne Malbec (Mendoza, Argentina)

A deep dance blockbuster from 40+ year old vines. Blackberry plumb fruit and sweet spice. Silky warm juicy and fruity, it's probably impossible to dislike this...go on, have a few bottles and try!

£6.95 £9.50 £27.50

We also have a selection of "bin ends" available. Please ask our staff what's available.
