

THE BULL INN WINE LIST

	175ml	250ml	Bottle
<u>WHITE</u>			
Sensale Grillo Sicily, Italy Organic	£5.50	£6.95	£19.95
Named after a delicate Sicilian barbecuing technique, this is light, pretty and floral with ripe stone fruit notes.			
Picpoul de Pinet Prestige Foncalieu VdP d'Oc, France	£5.75	£7.25	£21.00
How long can a variety remain trendy? Is trendiness a paradox with time? Does it matter when it is this fresh, balanced and a match made in heaven for seafood? Fetch me a bottle of your finest Pickers!			
Mayfly Sauvignon Blanc Marlborough, New Zealand	£5.95	£7.65	£24.00
A propensity for naming their Sauvignon after animals has been well documented in New Zealand and they have conjured up another spurious connection with this wine. Luckily, whilst the marketing department have taken an early lunch, the winemaking team didn't. Great zippy fruit with asparagus notes and a delicious finish.			
Gavi del Comune di Gavi Nuovo Quadro Piemonte, Italy Vegan	£7.75	£10.25	£29.95
Cortese, the grape and not some underworld Colombian don in hiding, is the star grape here. This is top-notch single estate Gavi that is hand-harvested and spends six months ageing on its lees. White peach and pear with hints of lime and balanced by lovely acidity.			
<u>RED</u>			
Cent'Anni Baccolo Appassimento Veneto, Italy Vegan	£5.50	£6.95	£19.95
The Renaissance, the 'floating city', Napoleon's victory in 1797...all faded into insignificance as notable in the history of the Veneto region when this wine was created. The grapes are partially dried to increase flavour. Think of it as a light, baby Amarone with less alcohol and less damage to your bank balance!			
Nostros Carmenère Maipo Valley, Chile Vegan	£5.60	£7.50	£22.50
Made by a young and dynamic team, this is intense, almost black, with berries, truffle, paprika and pepper notes. Carmenère was presumed extinct following the phylloxera outbreak in France. Luckily, some was being grown in Chile, having been exported from Bordeaux, although they thought it was Merlot... [wake up] ...this is delicious!			
Jaffelin Pinot Noir VdF, France Vegan	£6.65	£8.75	£25.95
Based in the heart of Beaune, Jaffelin are a Burgundy producer with a genius winemaker - Marinette Garnier. This Vin de France is super soft with low tannins and acidity yet has delicious structure and fruit that punches well above its weight thanks to a combination of grapes from Burgundy and the Loire.			
Verne Malbec Mendoza, Argentina Vegan	£6.95	£9.50	£27.50
A deep dense blockbuster from 40+ year old vines. Blackberry plum fruit and sweet spice. Silky, warm, juicy and fruity, it is probably impossible to dislike this – go on, have a few bottles and try.			
<u>ROSE</u>			
RAP Gr enache Rosé IGP Pays d'Oc, France	£6.70	£8.80	£26.00
A fantastic Grenache rosé from the South of France. Soft and savoury with just the right amount of spice.			
<u>SPARKLING</u>			
Lunetta Prosecco Spumante White 20cl NV Veneto, Italy			£7.95
Need a little pick-me-up or perhaps the other half will not share a whole bottle with you. I would order half a dozen and show them you're not to be messed with.			
Passaparola Prosecco Spumante NV Veneto, Italy Vegan			£24.95
To the tune of Escape (The Piña Colada song) by Rupert Holmes. If you like Pass-a-parola Having fizz in the sun Gentle apple and peach flavours Should be enough just for one...
