WINE

Bottle

WHITE

Sensale Grillo | Sicily, Italy Organic

£19.95

Named after a delicate Sicilian barbecuing technique, this is light, pretty and floral with ripe stone fruit notes.

Picpoul de Pinet Prestige Foncalieu | VdP d'Oc, France

£21.00

How long can a variety remain trendy? Is trendiness a paradox with time? Does it matter when it is this fresh, balanced and a match made in heaven for seafood? Fetch me a bottle of your finest Pickers!

Mayfly Sauvignon Blanc | Marlborough, New Zealand

£24.00

A propensity for naming their Sauvignon after animals has been well documented in New Zealand and they have conjured up another spurious connection with this wine. Luckily, whilst the marketing department have taken an early lunch, the winemaking team didn't. Great zippy fruit with asparagus notes and a delicious finish.

Luzada Albariño | Rías Baixas, Spain

£26.95

If you've never seen the vines in Rías Baixas then you're missing out on a viticultural treat. The cool sea air means that damp is a real issue for winemakers so they trellis the vines up high and spread them out overhead to maximise air flow and sun exposure. This cool air isn't all bad – the wines are fantastically mineral driven and fresh.

Gavi del Comune di Gavi Nuovo Quadro | Piemonte, Italy Vegan

£29.95

Cortese, the grape and not some underworld Colombian don in hiding, is the star grape here. This is top-notch single estate Gavi that is hand-harvested and spends six months ageing on its lees. White peach and pear with hints of lime and balanced by lovely acidity.

Holden Manz Chenin Blanc | Franschhoek, South Africa Vegan

£37.95

Elegant and perfumed with jasmine and peach. This has spent a bit of time in oak, so it has some great depth to it along with quince and melon flavours. Perfect with beetroot, goat's cheese and smoked fish – not necessarily at the same time though.

CHAMPAGNE & SPARKLING

Autréau Premier Cru Brut NV | France

£47.00

Ooh la la, Premier Cru sounds rather flash doesn't it? This is a lovely and soft fizz from excellent vineyards and has some nice fruit thanks to it being mainly Pinots Noir and Meunier.

Passaparola Prosecco Spumante NV | Veneto, Italy Vegan

£24.95

To the tune of Escape (The Piña Colada song) by Rupert Holmes. If you like Pass-a-parola | Having fizz in the sun | Gentle apple and peach flavours | Should be enough just for one...

THE BULL INN TAKEAWAY DRINKS LIST

ROSE

RAP Grenache Rosé | IGP Pays d'Oc, France £26.00
A fantastic Grenache rosé from the South of France. Soft and savoury with just the right amount of spice.

RED

Cent'Anni Baccolo Appassimento | Veneto, Italy Vegan £19.95
The Renaissance, the 'floating city', Napoleon's victory in 1797...all faded into insignificance as notable in the history of the Veneto region when this wine was created. The grapes are partially dried to increase flavour. Think of it as a light, baby Amarone with less alcohol and less damage to your bank balance!

Nostros Carmenère | Maipo Valley, Chile Vegan £22.50
Made by a young and dynamic team, this is intense, almost black, with berries, truffle, paprika and pepper notes. Carmenère was presumed extinct following the phylloxera outbreak in France. Luckily, some was being grown in Chile, having been exported from Bordeaux, although they thought it was Merlot... [wake up] ...this is delicious!

Jaffelin Pinot Noir | VdF, France Vegan £25.95
Based in the heart of Beaune, Jaffelin are a Burgundy producer with a genius winemaker - Marinette Garnier. This Vin de France is super soft with low tannins and acidity yet has delicious structure and fruit that punches well above its weight thanks to a combination of grapes from Burgundy and the Loire.

Verne Malbec | Mendoza, Argentina Vegan £27.50
A deep dense blockbuster from 40+ year old vines. Blackberry plum fruit and sweet spice. Silky, warm, juicy and fruity, it is probably impossible to dislike this – go on, have a few bottles and try.

Mirador Reserva | Rioja, Spain £32.50
Just like a Christmas episode of Eastenders, you know exactly what you're getting when you have a bottle of Mirador. The Reserva is almost unbeatable; spice and dried fruit, it's like your favourite old jumper and there's nothing wrong with that.

Holden Manz Visionnaire | Franschoek, South Africa – Vegan £37.95
A 'fluid' Bordeaux blend (it's got some Syrah in it) that is absolutely belting – spice, red fruits, dark fruits and graphite – this is seriously grown up stuff. Franschoek always looks misspelt!

Château Teyssier St Emilion Grand Cru | Bordeaux, France £42.95
Jonathon Maltus was the first English winemaker to win a perfect Robert Parker score. This Merlot and Cabernet Franc blend is deep red, powerful and complex with cherries, red fruit and a touch of wood.
